

Khandaker Toor Azad

University of Oklahoma
Department of Economics
Norman, OK 73019

Phone: (309) 612-6771
E-mail: toor2316@gmail.com
Location: Norman, Oklahoma, USA

Education

2024– Present	Ph.D. in Economics, University of Oklahoma , Norman, OK GPA: 4.00
2024	M.S. in Applied Economics, Illinois State University , Normal, IL GPA: 4.00
2019	M.S.S. in Economics, University of Dhaka , Dhaka, Bangladesh GPA: 3.34
2018	B.S.S. in Economics, University of Dhaka , Dhaka, Bangladesh GPA: 3.59

Research Fields

Primary: Development Economics, Energy Economics
Secondary: Health Economics

Research in Progress

- *IMF Conditionality and Energy Generation in Developing Countries*
Examines the effect of IMF conditionality on electricity generation in low- and lower-middle-income countries using panel data methods, including two-way fixed effects and instrumental variable strategies.

Research Proposals

- *California Wildfires and the Homeowners' Insurance Market: Evidence on Consumer Responses*
Investigates how large wildfire events affect consumer behavior, including online search activity, consumer-initiated non-renewals, and FAIR Plan enrollment.
- *The Effects of Subsidized Health Insurance: Evidence from Vietnam*
Analyzes the impact of subsidized health insurance on healthcare utilization, consumption expenditure, and preventive health behavior among near-poor households using a difference-in-differences framework.

Graduate Research Experience

- *The Effect of Self-Esteem on Earnings*
Quantitative study using instrumental variable methods for graduate research in economics.

- *Incorporating the Solow Model to Explain Growth in OECD and Sub-Saharan African Countries*
Empirical analysis of the textbook Solow model and the human-capital-augmented Solow model using cross-country data from 1991–2019.
- *Investigating the Effect of Medicaid Expansion on Healthcare Access, Self-Reported Mental Health, and Exercise*
Quantitative study using a difference-in-differences framework for microeconometrics.
- *The Effect of Economic Uncertainty and Financial Stress on Gasoline Price Volatility in the United States*
Time-series analysis using vector autoregression (VAR).

Research Experience

Feb–May 2021 **Research Intern**, ARK Foundation, Bangladesh

- *Political Economy Analysis for Anti-Microbial Resistance (AMR) Advocacy*
Conducted literature review, secondary-source data collection, and processing of in-depth interviews.
- *National Institute for Health Research (NIHR) “Living in the City” Project*
Compiled and screened articles for review using Mendeley and contributed to the literature review.

Undergraduate Research Experience

- *Socio-Economic and Demographic Factors Affecting Under-5 Mortality in Bangladesh*
Quantitative study using logit and probit models for Advanced Econometrics I.

Graduate Assistant Experience

Aug 2024
–May 2025 **Graduate Teaching Assistant**, University of Oklahoma

- Conducted Econ Learning Lab sessions and tutored undergraduate students in Principles of Microeconomics, Principles of Macroeconomics, and Business Statistics.
- Proctored exams for Principles of Microeconomics.

Aug 2022
–May 2024 **Graduate Teaching Assistant**, Illinois State University

- Graded assignments, projects, quizzes, and exams for undergraduate economics courses.
- Tutored undergraduate students and assisted with course coordination and exam proctoring.

Awards & Scholarships

2025	Chong Liew Outstanding First-Year Graduate Student Award, University of Oklahoma
2024	Scott M. Elliott Graduate Scholarship, Illinois State University

Skills

Software & Programming	Stata, EViews, R, Dynare, $\text{\LaTeX}$
Research Tools	Mendeley, Microsoft Office, Google Workspace
Languages	Bangla (Native), English (Fluent), Spanish (Intermediate; Higher Diploma, B1.2)
